TOOL-FREE INSTALL LED UNDER CABINET LIGHTING

Engineered for superior performance and an inimitable design, our revolutionary line of PureOptics™ LED Under Cabinet Lighting is powerful, sleek and a snap to install.

Maximum illumination with a minimum footprint

Motion-activated sensor for hands-free on and off

Easy-link system casts the perfect glow in any space

Optional three-hour timer for added energy efficiency

10 brightness levels with memory function for last setting used

Extra bright light output is free of shadows and troublesome glares
